Newsletter Vol. 4 No. 35 – 01st September, 2013

Reflection

Most often the role of a parent is cast in humility. When we think back on our own childhoods, even if we have taken the time to tell our parents how much we appreciate all they did for us, children rarely take in the whole scope of what their parents do for them. Yes, in some cases we might even say what parents sacrifice for them, but it's hard to call something a sacrifice when it's given out of love. Still, parents know what it means to provide for someone who cannot repay us. We don't expect our children to repay us financially for what we've given them in food, clothing, shelter, education, and entertainment. Not only is it not realistic, but it's just not the way it works! We understand the meaning of this Gospel in connection with our children, but how much greater our understanding will be if we reach beyond our own family to provide for someone in our society who cannot begin to repay us.

LUSK TIDY TOWNS

Lusk has been judged the best presented town in Fingal be the Fingal County Council's cleaner Community Awards.

This is a tribute to our community, where so many played their part in having "Our Place" look so well. A special thanks to the tidy town Committee and volunteers who took pn the task of special projects of the village and worked tirelessly. We also value the support of F.C.C. , the school children, the local Businesses, ICA, and the People who work away unknown to us.

"Honest toil combined with local People can produce wonders"

We also have been invited in to the National Tidy Town Awards on the 9th September.

**Thank you
